"1974 Southern Illinois University Bulletin Carbondale Campus (Schedule of Classes for the Summer Session)." (Jan 1974).

This Article is brought to you for free and open access by the University Archives at OpenSIUC. It has been accepted for inclusion in SIU Bulletins and Course Catalogs by an authorized administrator of OpenSIUC. For more information, please contact opensiuc@lib.siu.edu.
This issue of the Southern Illinois University Bulletin contains
the schedule of classes to be offered by Southern Illinois
University at Carbondale for the 1974 summer quarter
at Carbondale, at the Vocational-Technical Institute Campus,
and at Little Grassy Lake. It also provides information
relative to admission, advisement, registration, and fees.

Calendar of Events

June
15, Saturday  American College Testing Program (National)*
22, Saturday  College Entrance Examination Board *

July
13, Saturday  Admission Test for Graduate Study in Business *
20, Saturday  National Teacher Examinations *

August
3, Saturday  Test of English as a Foreign Language (Residual) *
8, Thursday  National Funeral Boards *

* Pre-registration is required for the tests listed above. Please contact the Testing Division, Career Planning and Placement Center, Washington Square, Building C, at least four weeks before the scheduled test.
GRADUATE REGISTRATION DATES

Monday, April 15–Thursday, June 27
Advance registration period for graduate students. Graduate students may begin making program changes for the summer quarter on Monday, April 29. No graduate students will be admitted or readmitted on June 17, 18, and 19.

UNDERGRADUATE REGISTRATION DATES

Monday, April 8–Tuesday, June 4
Advance registration period for all undergraduate students. New students should refer to the Registration and Advisement procedure on page 1 for further procedural information.

All continuing undergraduate students are expected to be registered by June 4. Students are urged to process program changes prior to the first day of classes. Students should be registered and should attend classes on the first day of classes.

Monday, April 29
First day for undergraduates to begin making program changes for the summer quarter.

Wednesday, June 5
Undergraduate students will have their advance registration cancelled if fees are not paid at the Bursar's Office by 4:00 p.m. on this date, unless they have deferred their fee payment at the Bursar's Office prior to this date. Students whose fees are paid or deferred by this date will receive a printed class schedule before the quarter begins. To insure accuracy, students should check these schedules carefully for conflicts and errors. Changes should be made before classes begin. Tuition and fees may be deferred during the two-week period prior to the fee payment deadline providing the tuition and fee payment totals at least $50.

Beginning-of-the-Quarter Activities for Undergraduates
The dates listed below from Monday, June 17, through Wednesday, June 19, are for undergraduates. Graduate students may register through the Graduate School during the dates given above.

Monday, June 17
Residence halls open.
New student orientation begins.
Advisement and registration opens for all students not yet registered.
Registration will be located in Woody Hall, from 8:00 a.m. to 4:00 p.m. daily.
All undergraduate students should be advised and registered by this date.

Thursday, June 18
Classes begin, 8:00 a.m.
Advisement and registration open for program changes only.

Wednesday, June 19
Advisement and registration open for registration and program changes.
Last day to register or make program changes in which a course is added or a section changed. Registration closes at 4:00 p.m.

UNDERGRADUATE AND GRADUATE REGISTRATION DEADLINE DATES

Thursday, June 27
Deadline for payment of fees by students whose fees were deferred. Graduate student registration will be cancelled if fees are not paid at the Bursar's office by 4:00 p.m.

Friday, June 28
Last day to withdraw from school to be eligible for a refund of fees or the last day to drop a course to be eligible for a refund if that drop changes fee categories. This deadline applies to eight-week courses only!
NOTE: Students withdrawing from courses which meet less than eight weeks will be eligible for a refund only if no more than one-fourth of the scheduled class meetings have met.

Friday, July 5
Last day for undergraduates to withdraw from eight-week courses without receiving a letter grade.
Graduate students officially dropping eight-week courses after this date need not be given an evaluative letter grade.
Last day for all students enrolled in eight-week courses to change from credit to audit or vice versa (see Auditing of Courses, page 5).
Last day for students enrolled in eight-week courses to change from regular grading option to pass/fail or vice versa (see Pass/Fail Option, page 5).
NOTE: Students withdrawing without receiving a letter grade, and changing credit/audit or pass/fail grading options in courses which meet less than eight weeks may do so providing no more than one-third of the scheduled class meetings have met.

Friday, August 2
Last day for students enrolled in eight-week courses to make a program change or withdraw for the summer quarter. Students enrolled in courses which meet less than eight weeks must process a program change or withdrawal before the last week of the course.
General Information

This bulletin contains the schedule of classes offered for the summer quarter, 1974, by Southern Illinois University at Carbondale. It also provides information relative to advisement and registration, fees, and allied information.

Admission
Inquiries concerning undergraduate admission should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement
Southern Illinois University at Carbondale uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the graduate school, where all registration forms will be completed and retained. Graduate students will not be required to go through the Registration Center. The registration process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs on the date indicated in the Registration Calendar. Graduate students may register during the period indicated in the Registration Calendar. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Registration Center.

After advisement the student may register for classes. See the Registration Calendar in this bulletin. Ordinarily, registration offices are open from 8:00 to 11:30 A.M. and 1:00 to 4:30 P.M., Monday through Friday.

During the registration process the student goes through the Registration Center, where he assigns himself to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will
General Information

attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class. Students should complete the registration process before classes begin.

New Students
Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Office of Admissions and Records.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students
Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and graduate school for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale
Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major area of concentration is initiated with the student’s adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students may report directly to the graduate school for registration procedure.

Current Students, Edwardsville
Undergraduate students attending Southern Illinois University at Edwardsville who plan to attend Southern Illinois University at Carbondale must initiate their registration process by presenting to the Office of Admissions and Records at Carbondale either an official transcript of their university record or a letter of good standing from the registrar at Edwardsville. The reason for reporting to the admissions office is to permit
the necessary coding changes to be made so that pertinent information about their academic programs, etc., can be up-dated to reflect the change of campus. Graduate students report first to the Graduate School.

Payment of Fees
Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with a check or money order for the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this bulletin. If students pay fees in person at the Bursar's Office they receive a Student Fee Statement at that time. When fees are paid by mail, the fee statement may be picked up by the student when he returns to campus. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Graduate students receive fee statements by mail and must clear their fees at the Bursar's Office by 4:00 P.M. on the date indicated on the Registration Calendar.

Fees for a Regular Quarter
Total hours taken for all summer courses determine fee assessment. Students who add courses after fees are paid will receive a billing if his total hours increases his total tuition and fee amounts due for the summer quarter.

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Undergraduate students pay the following regular fees:

<table>

</tbody>
</table>

* Graduate students carrying not more than five hours may option not to pay either one or both of these fees.

Students who register for a course for audit or for a non-credit course will be assessed fees according to the imputed hours of that course. Imputed hours is generally the number of hours the class meets per week.

Scholarships-Grants-Assistantships-Waivers
Students having special fee status, such as scholarships, grants, graduate appointments, faculty and staff will pay fees according to their particular
General Information

fee status and must provide proof of their eligibility at the time fees are assessed.

Students holding valid state scholarships and other grants are exempt from some or all of the tuition and fees for a quarter to the extent provided by the terms of the specific financial aid. Additional information concerning scholarships and grants may be obtained from the Office of Student Work and Financial Assistance.

Graduate Appointees
A graduate student who holds a graduate student appointment of at least one-quarter time is eligible for a waiver of tuition each quarter the appointment is held.

A graduate student who has held such an appointment for at least three consecutive quarters and meets the conditions specified below will be eligible for a waiver of tuition for one additional quarter.

1. The appointment requires service to the University (i.e., preceptor, teaching assistant, research assistant, graduate intern, graduate assistant, but not a special doctoral assistant), and is paid through University Payroll. A special doctoral assistant is appointed for four quarters and can have the appointment extended to a total of eight quarters, but is not eligible for additional quarters.

2. The student has held an appointment requiring service to the University of at least 25% time each of three consecutive quarters. The summer quarter may be one of the three quarters. On the other hand, the three quarters may be interrupted by the summer and still be considered consecutive.

3. The tuition waiver will be granted immediately after the three quarters of service have been completed. A student whose appointment is fall, winter, and spring may option either the immediate summer or fall, but not both. In no case shall the additional quarter tuition waiver be granted before the three consecutive quarters of service have been completed.

4. This additional quarter of tuition waiver shall not apply to nonservice appointments normally awarded for four or more consecutive quarters, (i.e., special doctoral assistantships, graduate fellowships, or experimental fellowships).

5. This additional quarter of tuition waiver shall not apply to appointments such as NDEA (Title IV) fellowships, NSF traineeships, and NSF fellowships.

Fees waived for graduate appointees are the student welfare and recreation building trust fund fee and the athletic fee when registering for less than full-time (11 quarter hours) basis.

Faculty and Staff
Persons in this category will receive a tuition waiver and a waiver of some fees whenever they are employed at any time during a quarter for which they are registered. If the appointment is at least a nine month appointment, students may receive the waiver for the fourth quarter providing that quarter follows immediately the last quarter of appointment. Students may option summer or fall in this instance.

Civil Service
These employees will receive a tuition waiver and a waiver of some fees only when authorized by the Personnel Office after compliance with personnel regulations.

Fees waived for faculty and administrative staff and civil service em-
ployees are the student welfare, recreation building trust fund fee, and the athletic fee when registering for less than full-time (11 quarter hours) basis. They are not permitted to pay the activity fee or student medical benefit fee.

Auditing of Courses
Students may register for courses in an audit status. They receive no letter grade and no credit for such courses. An auditor’s registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Office of Admissions and Records. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student’s academic dean’s approval.

Pass/Fail Option
This option applies only to undergraduate instruction. The elective Pass/Fail option and mandatory Pass/Fail courses are not available for graduate credit.

Courses offered under the pass/fail option are denoted in the listing of course offerings by “Elective Pass/Fail” or “Mandatory Pass/Fail.”

A student taking a course for pass/fail should have his registration marked accordingly. Students registering in an elective pass/fail course may change from the regular grading option to the pass/fail option or vice versa only for fully justified reasons and only during the first four weeks of the quarter. Such a change will require the student’s academic dean’s approval.

Students are not permitted to elect pass/fail for a course that is a major or minor requirement for them unless the program specifically permits such to be done. At present the only programs permitting such are:

- Economics department—Any departmental undergraduate economics course, including ones required as a part of the economics major or minor, may be taken on a pass/fail basis.
- Forestry department—Forestry 104 may be taken on a pass/fail basis by students majoring in forestry.

Program Changes
Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom must be made through an official program change, which includes the following steps:

1. Initiating the change.
   Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the graduate school. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of securing adviser approval.

2. Registration.
   Students must take the program change form to the Registration Center after approval by the adviser.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done by the “last day to add a class” as indicated in the Registration Calendar.
Dropping a Course
A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is printed in the Registration Calendar. Graduate students may not necessarily receive a grade for dropping after this date. (Refer to Registration Calendar.)

Changing Fee Status
Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar.

Withdrawing from School
A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Office of Admissions and Records to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter, except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed by the deadline stated in the Registration Calendar.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this either by reporting to the Office of Admissions and Records in person or by writing to the Student Life Office. This must be done by the deadline date printed in the Registration Calendar, if he expects to get a refund.

Cancellation of Registration
An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Student Life Office.

Personal Data Changes
At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change.—Office of Admissions and Records, Registration Center, Graduate School, or VTI Registration Office.
2. Name Change, Marital Status Change, Date of Birth Change.—Records Section of the Office of Admissions and Records. Verification may be required.
3. Selective Service Data Change or Information.—Registration Center.
4. Legal Residence Change (whether an Illinois or out-of-state resident).—Must be requested by completion of the Application to be Classified as an Illinois Resident form in the Office of Admissions and Records. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.
Business Education

Vocational Business Education Workshop. July 18. A noncredit workshop including nationally known speakers in teaching business communications, cooperative office and distributive education, and modern techniques in distributive education. The workshop is scheduled in the Student Center, to include a morning general session, two afternoon discussion demonstration sessions, and a banquet with a training director from business as the speaker.

The sessions involving business communications stress demonstrations and discussions of the newest techniques in word processing, both in person and through electronic devices. The session involving cooperative office and distributive education presents State and Federal guidelines for funding and reimbursement. The distributive education sessions stress the latest techniques in advertising, display, product information, theft and shoplifting control, and personnel training. Contact the chairman, Department of Business Education for further details and enrollment.

Child and Family

The Study of Early Childhood Programs. (Child and Family 408-3, Section 201) June 18–August 8. A wide range of preschool curricula is examined in order to suggest some valid guidelines for the development of instructional material. The preschool curricula are compared on the basis of: (1) the foundations of conceptualizations; (2) the goals and objectives of the curricula; (3) the methods for implementing the curricula, including instructional format; (4) the role of the teacher and parental participation; (5) the assumptions made concerning the motivation of children and teacher and commitment to the program; (6) the exportability of the curricula.

Each preschool program curriculum conceptualization also is to be examined to determine the following information: (1) the theoretical orientation; (2) the diagnosis of need; (3) curriculum objectives; (4) the selection of content; (5) the organization of content; (6) the selection of learning experiences; (7) the role of staff; (8) a general evaluation. A total of 12 preschool programs are to be analyzed. Instructor: Timothy Flynn.

Marriage and Family for the Physically Impaired. (Child and Family 408-3, Section 202) June 18–August 8. Considers the special adjustments physically impaired persons confront in marriage and family. Specific
areas discussed are dating, love, mate selection, marital and parental relationships.

Designed primarily for students with a physical impairment, but other interested persons are encouraged to enroll. Recent research and films relating to the topic will be available to class participants. Guest lecturers will be invited. For further information please contact the instructor, Brent Barlow.

Child Discipline in the Classroom. (Child and Family 408–3, Section 203) June 18–August 8. Explores disorder and non-productive behavior in the classroom by both individuals and groups. Various approaches to preventive and remedial procedures are studied with emphasis placed upon developing positive relationships with children and balancing classroom freedom with necessary limiting behaviors. Instructor: Barbara Hoskin.

Human Sexuality. (Child and Family 408–3, Section 204) June 18–August 8. Helps students develop (1) an understanding of human sexuality in the broader context of human development and basic human values; (2) appreciation for the potential which sexuality carries for the richness of personal and family living—in the context of responsible interpersonal relationships; (3) positive healthy attitudes toward sexuality; (4) appreciation for the individual person with his own unique pattern of masculinity or femininity; (5) realization of what constitutes the likely realities of life in the area of sexual development and behavior; (6) understanding of the basic information relevant to sexual development and healthy behavior; (7) familiarity with the variation in sexual values and behavior within our own culture; (8) commitment to constructive sex education for youngsters. Instructor: Joyce Pattison.

Clothing and Textiles

Workshop in Clothing Production. (Clothing and Textiles 432–4, Section 101) June 3–14, 8:00–12:00 A.M. daily plus two hours to be arranged. Study and comparison of manufacturing procedures for the clothing industry. Factors to be considered include supply of materials, labor, plant layout, plant management, distribution of goods, and marketing of finished product. Some apparel manufacturers in the area will be visited. Instructor: Shirley Friend.

Economics

Workshop in Economic Education. (Economics 490–4; Secondary Education 490–4) June 18–July 11. Designed to assist elementary and secondary school teachers in promoting economic understanding in the minds of their students through the translation of economic principles and problems into classroom teaching materials. Emphasis upon such current problems as inflation and unemployment. Instructor: G. Carl Wiegand.

Educational Administration and Foundations

Current Issues/The Application of Systems Analysis to Educational Administration. (Educational Administration and Foundations 527–4, Section 501) June 17–28, 8:00–12:00 A.M. daily. Designed to provide the student of educational administration with both the knowledge and skills necessary to make practical application of the “systems” approach in the
educational planning, evaluating, and decision-making processes. Focuses on methods which provide an empirical approach to greater precision in the resolution of matters related to accountability, cost analysis efficiency, and effectiveness. Instructor: Donald G. Cruce.

Current Issues/Occupational Education Evaluation. (Educational Administration and Foundations 527-4, Section 502) June 17-28, 8:00-12:00 A.M. daily. Instructor: James C. Parker.

Current Issues/Curriculum Evaluation. Educational Administration and Foundations 527-4, Section 503) June 17-28, 8:00-12:00 A.M. daily. A review of the nature of the curriculum (its elements and purposes) and the nature of the evaluation process precedes the examination and development of appropriate strategies for curriculum evaluation. The development of useful models for curriculum evaluation based on expressed needs and goals provides direct application for participants. Instructor: John R. Verduin, Jr.

Current Issues/Continuous School Year. (Educational Administration and Foundations 527-4, Section 504) July 15-26, 8:00-12:00 A.M. daily. A study of the philosophical, organizational, and operational aspects of the continuous school year. Year-round education models are examined in detail together with techniques for needs assessment and implementation procedures. Instructor: Edward B. Sasse.

Current Issues/Professional Negotiations. (Educational Administration and Foundations 527-4, Section 505) July 1-12, 8:00-12:00 A.M. daily. Acquaints the student with the professional negotiations movement in public education. Emphasis is given to such components as the historical beginnings and legal status of the movement, the roles of participants, negotiation procedures, the negotiation agreement, and related topics. References are made to continuing trends as well as changing relationships in the school setting. Practical examples of professional negotiations are available for class discussion. Instructor: Dale E. Kaiser.

Current Issues/Administrative Problems in the Urban/Suburban Setting. Educational Administration and Foundations 527-4, Section 506) July 1-26, 10:00-12:00 A.M. daily. The urban/suburban setting gives rise to administrative and educational problems which the school administrator must solve in different ways. This course is an in-depth treatment of the factors which influence these problems and which require unique ways of approaching solutions. For nine years Dr. Boykin has been principal of Carver High School and Carver Upper Grade Center which are located in the city schools of Chicago. Instructor: Arsene O. Boykin.

Community Development Through the Schools. (Educational Administration and Foundations 539-4, Section 501) July 1-12, 8:00-12:00 A.M. daily. A survey of the methods and procedures utilized by school districts to further community development through the schools. Specific attention
is given to the exploration of some of the social issues and problems which confront a community, and the school's role in the resolution of these problems through community education. Instructor: Donald G. Cruce.

**Family Economics and Management**

*Economic Concepts for Low-income Consumers.* (Family Economics and Management 407–2) July 1–13, 1:00–2:50 P.M. daily.

**Food and Nutrition**

*School Lunch Program.* (Food and Nutrition 247a–2) June 17–21. Lecture, discussion, and demonstration of quantity food production menu planning, principles of nutrition, advanced menu planning, record keeping, sanitation, purchasing, personnel management, and work simplification as they apply to the school lunch personnel. Instructor: Henrietta E. Becker.

**Geography**

*European Earth Science Study.* (Geography 433a–4, Section 850; 530–2, Section 850; Geology 470b–3, Section 850) June 13–August 15. A nine-week program of study and travel investigating earth science characteristics of nine countries in Europe for the purpose of studying physiographic and geomorphological features of the landscape plus the hydrographic, meteorologic, and climatic characteristics that affect it. Classical and unique geologic characteristics of the area are to be investigated, along with some agricultural practices in certain areas and some of the problems of environmental protection brought on by heavy industrialization and dense urbanization of many localities. Students, teachers, and others with an interest in any or all of the earth sciences are eligible for the program if they meet University enrollment requirements. Contact Division of Continuing Education for further information and enrollment. Instructor: David L. Jones.

**Health Education**

*Health Education Workshop.* (Health Education 461–4 to 8, Section 401; 462–4, Section 401; 463–1 to 4, Section 401) July 12–August 6. Designed for teachers and other health educators, wherein the essential task is to translate concepts, ideas, and information into teaching approaches and teaching materials for appropriate learning levels. Focal theme: health implication of alternatives to monogamous marriage and to the nuclear family for child-raising—present, past, and future.

**Higher Education**

*Student Personnel Group Work—In the Community College.* (Higher Education 535c–2) July 12–26. A concentrated seminar planned to pro-
vide teachers and college student personnel workers a variety of experiences to assist them in understanding more fully different ways of working with students in group situations in a variety of collegiate settings. Emphasis is given to assist in improving the quality of such group activities as the staff meeting, student committee work, new student orientation, student activities programs, student cultural and departmental interest groups. Some emphasis is given to group dynamics and leadership development. Even though emphasis will be toward the community college, the workshop is open to anyone interested in working with groups of students. Instructor: Jack W. Graham.

Problems in Central Administration. (Higher Education 535e–2) July 12–August 6. A special seminar dealing with the major problems facing the central administration of colleges and universities today. Specific topics selected in keeping with the interests of the students enrolled. Instructor: John E. King.

Business and Fiscal Administration. (Higher Education 535f–2) June 3–14. A special seminar planned to assist persons interested in learning more about problems of budgeting, interpreting and preparing fiscal reports, accountability, and fiscal re-evaluation of resources.

Academic and Faculty Administration—Academic Advisement. (Higher Education 535g–2) June 17–July 1. A concentrated seminar designed to provide information about the historical development of academic advisement, current practices, and new concepts. Topics include methods of organization, preparation of advisers, techniques (group and individual), use of test and non-test data, and current issues. Instructor: Jack W. Graham.

Junior College Administration. (Higher Education 535i–2) June 17–July 11. This seminar explores the major aspects of administration in community-junior colleges. Attention will be given to the role and responsibilities of the board of trustees, president, deans, and other key administrative personnel. Readings, reports, and discussion are focused upon theory and practice in the administration of community-junior colleges. Instructor: Donald J. Tolle.

Technical Institute. (Higher Education 535j–2) June 3–14. This special seminar assists teachers and administrators interested in the development and future role of the technical institute in higher education. Emphasis will be given to the current issues, occupational education in the community college, technical education in special institutes and the four-year institution.

Adult Education. (Higher Education 535k–2, Section 101 and 301) June 3–14 and June 18–July 11, respectively. This special seminar is for persons interested in promoting and improving educational opportunities for adults. Emphasis is given to new directions and innovations in continuing and adult education in institutions of higher education. Series of consultants, active in the field of adult education, are to assist in the seminar.

Financial Assistance. (Higher Education 545v–3) June 17–July 5. This seminar acquaints teachers, future student personnel workers, and interested administrators in the various forms of financial assistance available to students in higher education. It is concerned with the organization and
administration of student financial assistance; the supervision and training of office personnel; and the regulations and procedures used in administering various federal, state, and institutional programs of financial assistance. Instructor: Roland Keene and Frank Adams.

**Home Economics Education**

*Games and Simulations in Home Economics.* (Home Economics Education 407-2, Section 502) June 18–28. Use and evaluation of commercial games for the various home economics subject areas. Construction of original games and simulations to fit teaching situations of participants. Instructor: Dorothy Keenan.

*Problems in H.E.R.O.* (Home Economics Education 407-2, Section 503) July 1–12. For teachers who have occupational programs in home economics related occupations who wish to work on various problems and needs associated with planning sequential offering, teaching, and evaluation progress. Instructor: Anna Carol Fults.

*Working With Special Needs Learners.* (Home Economics Education 407-2, Section 505) July 15–26. Attention to methods, material, human relations as applied to special needs learners in all aspects of program. Instructor: Rose Mary Carter.

**Music**

*Summer Music Theater.* (Music 347-2 to 8; 568-2 to 8) June 18–August 8. Talented singers, actors, dancers, technicians, and orchestra personnel come to the campus from colleges and universities throughout the United States for a summer of performing and instruction in the Broadway musical repertoire. Participants receive full-load graduate and undergraduate credit. Held under the direction of Mary Elaine Wallace and Michael Hanes, in cooperation with the Department of Theater.

*Opera Workshop.* (Music 346-2 to 8; 568-2 to 8) June 18–August 8. Students will receive training in the singing and acting techniques necessary to operatic production and will participate in public performances under the direction of Marajean Marvin and Mary Elaine Wallace. Voice lessons will be available concurrently from any member of the voice faculty.

*Music for Exceptional Children.* (Music 456a–3) June 24–28. Sponsored jointly by the School of Music and the Office of the Superintendent of Public Instruction. Designed for both the non-specialist and specialist in music who work with physically and mentally handicapped children. Practical demonstrations of teaching techniques and materials, supported
by videotaped classroom situations, will be presented. Opportunities to explore the use of the autoharp, guitar, and piano will be included; no previous knowledge is necessary. Belleville area, exact location to be announced. Coordinators and instructors: Dr. Catherine McHugh, School of Music, and Mrs. Jean Preston, O.S.P.I., plus guest lecturers.

**Music for Exceptional Children.** (Music 456b–3) July 8–12. Sponsored jointly by the School of Music and the Office of the Superintendent of Public Instruction. Mr. David Ward and Dr. Violet Bruce, leading authorities in music and bodily movement for the handicapped in Great Britain, will be the principal lecturers. Mr. Ward is project organizer for the British research project, *Music and the Slow Learner*. Dr. Bruce is well known for her contributions in the field of bodily movement and dance through her lecture demonstrations and publications both in Great Britain and the United States. Designed for both the non-specialist and specialist in music who work with handicapped children. Carbondale campus.

**Music and Youth at Southern Illinois University.** July 14–27, morning, afternoon, and evening. Offers to high school musicians in Southern Illinois and surrounding areas a unique experience in music learning on the campus. Participation in band, orchestra, chorus, piano, jazz band; classes in music appreciation, music theory, instrument repair, and performing techniques. Staff of twenty who are experts in their field under the coordination of Melvin Siener, camp director.

**Physical Education for Men**

**Scientific Basis of Athletic Training.** (Physical Education for Men, Women 407–2, Section 501) June 24–July 5. The knowledge and application of scientific principles of conditioning the body for men's and women's sports. Techniques of testing muscle strength and strengthening the body following injury. Emergency treatment of injuries and the use of ice therapy and other physical therapy modalities; the problems of diet, and consideration of kinesiological physiological behavioral factors in athletics. Designed to increase the effectiveness of physical education personnel in teaching and coaching athletics. Focuses on selected needs and interests of the students. Instructor: Robert R. Spackman, Jr.

**Teaching of Sports—Gymnastics.** (Physical Education for Men, Women 404–2, Section 501) July 1–12. Utilizes the latest concepts in learning, growth and development at two basic levels. Level 1: Focuses on skills of a secondary level of interest to the individual wishing to teach and coach at the high school, and the novice level in the Gymnastic Federation. Level 2: Presents the beginning detailed analysis of isolated more advanced competitive skills based on first level foundation skills. Instructors: James J. Wilkinson and William T. Meade.
Physical Education for Women

Workshop in Modern Dance. (Physical Education for Women 240–2, Section 501; 309b–3, Section 501; 444–2, Section 501) June 24–28, 9–11:30 a.m. daily plus additional times to be arranged. An approach to dance as creative art experience, introducing basic techniques and ideas for building improvisation activity into class compositions. Instructor: Lonny Joseph Gordon.

Workshop in Volleyball. (Physical Education for Women 362–2, Section 501; 404–2, Section 502) July 8–12, 2:00–4:00 p.m. daily plus additional times to be arranged. Skills and drills, offensive patterns, defensive play, and team strategies. Current theory and practice in power volleyball including team organization and coaching techniques. Instructor: JoAnne Thorpe.

Workshop in Basketball. (Physical Education for Women 362–2, Section 502; 404–2, Section 501) July 15–19, 2:00–4:00 p.m. daily plus additional times to be arranged. Skill analysis and drills; offensive techniques including individual moves, one-on-one, two-on-two, plays against man-to-man and zones; defensive techniques including man-to-man, zones and presses; special situations such as fast break, jump ball, rebounding, practices and team organization. Instructor: Charlotte West.

Administration of Athletics. (See Physical Education for Men)

Scientific Basis of Athletic Training. (See Physical Education for Men)

Teaching of Sports—Gymnastics. (See Physical Education for Men)

Psychology

Theory and Practice in the Preschool. (Psychology 459–4, Section 301) June 18–July 11. Designed for those who are preparing for or who are engaged in preschool education. Examines a variety of topics and provides lectures, demonstrations, and practicum experience in the Child Study Cooperative Nursery. Prerequisite: consent of instructor. Instructor: Shirley Sue Dunagan.

Rehabilitation Institute

Annual Summer Rehabilitation Workshop. (Rehabilitation 414–2) August 12–17, 8:30 a.m.–4:30 p.m., Monday through Saturday. A workshop for professional personnel engaged in rehabilitation and welfare programs in Illinois—those rendering direct services to disabled, disadvantaged persons or in developing/coordinating community resources directed to their needs. Experts in the field are to examine and evaluate current trends, recent research, innovative programs, and projected developments in a wide range of rehabilitation activities. These presentations are to be further developed through group interaction and discussion. Instructors: Louis Vieceli and Thomas W. Dickey.
Secondary Education

Workshop in Economic Education. (See Economics)

Problems Related to Teaching Disadvantaged Youths. (Secondary Education 495–2 to 4) June 10–21, 1:00–4:50 p.m. daily. Contact Secondary Education department chairman for course description.

Supervision of Professional Education Experiences. (Secondary Education 518–4) June 17–28. Contact Secondary Education department chairman for course description.

Workshop in Secondary Education. (Secondary Education 591–4) June 10–21, 8:00–11:50 a.m. daily. Contact Secondary Education department chairman for course description.

Special Education

Workshop on Mildly Handicapped in the Regular Classroom. (Special Education 518a–4) June 18–August 8. Centers around the management of exceptional children in the regular classroom, with special emphasis on ways to control behavior and develop organizational systems. Instructor: Richard Brecht.

Workshop in Special Education for the Mentally Retarded. (Special Education 518b–4) June 18–August 8. Emphasis placed on the following areas: current research in classroom learning, discussion of curriculum innovations that are beginning to develop, evaluation of new materials available, and classroom management techniques. Students are to develop and share several teacher-made materials. Guest speakers are scheduled to appear frequently. Workshop is primarily for teachers currently employed to work with the mentally retarded. Students who have had student teaching with the mentally retarded may enroll. Instructors: Dan Rainey and Wyatt Stephens.

Workshop in the Education of Gifted Children. (Special Education 518c–4) June 18–August 8. Workshop designed to develop diagnostic tasks and activities in identifying and teaching gifted persons. Instructor: John Casey.

Special Education Task Simulation. (Special Education 518s–4) June 18–August 8. A structured program which involves participants in simulation of special education administrators' roles, responsibilities, daily activities, etc. Other activities involve simulated personal and program evaluation, plus instruction and practice in objective observation. Instructor: Howard G. Morgan.
Listing of Courses
Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

Course Numbers and Hours
The line containing this information shows the number of the course first, followed by the short title and number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

In a variable-hour course the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:
- 000-099  Course not properly in the following categories
- 100-199  For freshmen
- 200-299  For sophomores
- 300-399  For juniors and seniors
- 400-499  For seniors and graduate students
- 500-600  For graduate students only

Prerequisite
The prerequisite entry lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

Section Number, Time, and Days
The section number is indicated in the first column. The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department.

Building and Room Number
The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated by number only.
If a building contains more than one classroom, then the number of the room follows the building's code name.

**VTI Campus**

Buildings coded F, H, L, M, and N are on the VTI Campus, location of the School of Technical Careers.

**Explanation of Entries**

The entry for each course is arranged as follows:

- **First Line**: The course's identification number is followed by the short title and the number of quarter hours of credit.
- **Second Line**: The prerequisite (if applicable).
- **Section-Number Lines**: The first column lists section numbers for courses offered. Following each section number are the beginning time, meeting days and place, and the instructor's last name.

### Course Descriptions

#### 300 INTERNSHIP IN MKTG
- **Credits:** 0.40
- **Prereq:** Prior approval of department
- **To Be Arranged:** Above sect req for consent of dept

#### 301 MKTG FUNDAMENTALS
- **Credits:** 0.40
- **Prereq:** Econ 214, acct 251a
- **To Be Arranged:** Econ 214, acct 251a

#### 302 BEHAVIOR SCI IN BUS
- **Credits:** 0.40
- **Prereq:** Econ 214, acct 251a
- **To Be Arranged:** Econ 214, acct 251a

#### 303 PROMOTIONAL CONCEPT
- **Credits:** 0.40
- **Prereq:** Econ 214, acct 251a
- **To Be Arranged:** Econ 214, acct 251a

#### 329 MARKETING CHANNELS
- **Credits:** 0.40
- **Prereq:** Econ 214, acct 251a
- **To Be Arranged:** Econ 214, acct 251a

#### 390 MKTG RES & ANAL
- **Credits:** 0.40
- **Prereq:** Econ 214, acct 251a
- **To Be Arranged:** Econ 214, acct 251a

#### 438 SALES MANAGEMENT
- **Credits:** 0.40
- **Prereq:** Econ 214, acct 251a
- **To Be Arranged:** Econ 214, acct 251a

#### 493 MARKETING POLICIES
- **Credits:** 0.40
- **Prereq:** Econ 214, acct 251a
- **To Be Arranged:** Econ 214, acct 251a

#### 499 UNDERGRAD SEM-MKTG
- **Credits:** 0.40
- **Prereq:** Econ 214, acct 251a
- **To Be Arranged:** Econ 214, acct 251a

#### 001B SYMPHONIC BAND
- **Credits:** 0.10

This issue of the Southern Illinois University Bulletin. Schedule of Classes, Summer 1974, was published for the Office of Admissions and Records by University Graphics. The data base for the schedule proper is maintained on magnetic tape by Admissions and Records in cooperation with Information Processing, Southern Illinois University at Carbondale. Typefaces are Century Schoolbook and Craw Clarendon Book. Hand composition and hot-metal composition were done by Printing Service, Southern Illinois University at Carbondale. Conversion of the magnetic tape, photo-composition of the schedule proper, printing, and binding were provided by Taylor Publishing Company.
This form is provided for your use in establishing a tentative class schedule before coming to the Registration Center.

1. Write in the *course* and *section* number in the appropriate day and time column.

2. Note: Avoid scheduling two classes at the same time.

3. It is suggested that you also make an alternative schedule.

4. Tentative class schedules are subject to the rules and policies on registration of the University and the Registration Center.
