"1975 Southern Illinois University Bulletin Carbondale Campus (Schedule of Classes for the Summer Session)." (Jan 1975).

This Article is brought to you for free and open access by the University Archives at OpenSIUC. It has been accepted for inclusion in SIU Bulletins and Course Catalogs by an authorized administrator of OpenSIUC. For more information, please contact opensiuc@lib.siu.edu.
Southern Illinois University Bulletin
Volume 17, Number 1
January 1975
Second-class postage paid at Carbondale, Illinois 62901.
Published by Southern Illinois University at Carbondale,
Carbondale, Illinois 62901, monthly except
November and December.

This issue of the Southern Illinois University Bulletin contains
the schedule of classes to be offered by Southern Illinois
University at Carbondale for the 1975 summer session
at Carbondale, at the Vocational-Technical Institute Campus,
at Little Grassy Lake, and at graduate residence centers. It also
provides information relative to admission, advisement,
registration, and fees.

Advance Registration Dates

Advance Registration Period for All Students, Monday, February 24–Friday, May 9
Registration Center office hours during advance registration are: 8:30 A.M. to 4:00 P.M., February 24–28; and 10:00 A.M. to 4:00 P.M., March 3–May 9.
All continuing students are expected to be registered by May 9.
Students are urged to process program changes prior to the first day of classes.

Deadline for Payment of Tuition and Fees by Mail, Friday, June 6
Payment must be mailed to the Bursar prior to this date to insure receipt of payment by this date. Students paying after this date must pay in person at the Bursar's Office in Woody Hall.

Last Day to Pay Tuition and Fees for the Summer Session, Monday, June 16
Registration will be cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date.

Final Registration Dates

Registration for Any Student Not Registered, Monday, June 16
Graduate students registering on this date must walk their registration through the registration process. Students registering on this date must clear their fees with the Bursar the same day they register. All registrations are cancelled if tuition and fees are not paid before 4:00 P.M. on June 16.

Last Day to Register for the Summer Session, Monday, June 16
Summer session registration ends at 4:00 P.M. Students registering for a course which begins after June 16 may register through the first day the course meets without dean's permission. Day classes begin, at 7:30 A.M.

Program Changes or Withdrawal from School

Advisement and Registration Open for Program Changes
Program changes may be processed during the advance registration period (February 24–May 9) and on June 17 and 18. Students are urged to process their program changes during the advance registration period; before classes begin. Classes begin at 7:30 A.M., Monday, June 16.
Last Day to Add a Class or Section, Wednesday, June 18
This is the last day to make a program change in which a course is added or a section is changed without dean's permission. Students adding a course which begins after June 16 may add through the first day the course meets without dean's permission.

Deadlines for Withdrawing from School or from a Course

* Students changing from credit to pass/fail after these deadlines must have dean's approval.

Last Day to Process a Program Change or Withdrawal for the Summer Session, Friday, August 1
This is the last day for students enrolled in eight-week courses to make a program change or to withdraw for the summer session. Students enrolled in courses which meet less than eight weeks must process a program change or withdrawal before the last week of the course.
Southern Illinois University at Carbondale has changed from the quarter system to an early semester calendar.

All references in this bulletin to hours of credit are to *semester hours* unless otherwise specified. One semester hour of credit is equivalent to one and one-half quarter hours.
General Information

This bulletin contains the schedule of classes offered for the 1975 summer session, by Southern Illinois University at Carbondale. It also provides information relative to advisement and registration, fees, and allied information.

Admission
Inquiries concerning undergraduate admission should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement
Southern Illinois University at Carbondale uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive from the admission process a date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Registration Center. The registration process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs on the date indicated in the Registration Calendar. Graduate students may register during the period indicated in the Registration Calendar. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Registration Center.

After advisement the student may register for classes. See the Registration Calendar in this bulletin. Ordinarily, registration offices are open from 10:00 A.M. to 4:00 P.M., Monday through Friday.

During the registration process the student goes through the Registration Center, where he assigns himself to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in
that class. Students should complete the registration process before classes begin.

New Students
Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Office of Admissions and Records or the appropriate academic unit.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students
Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale
Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major is initiated with the student’s adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students may report directly to the Graduate School for registration procedure.

Off-Campus Students
The University offers courses at various locations off campus. The locations of these courses are printed in this schedule of classes or may be obtained from the Division of Continuing Education. Students who wish to enroll in off-campus courses may register and pay tuition and fees at the first class meeting.

Course Load
The minimum number of hours of credit that a student may take during the eight-week summer session and be considered by the University a full-
time student is six semester hours. The maximum load for the summer session is nine semester hours unless an exception is granted by the student's academic dean.

Payment of Fees
Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with a check or money order for the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this bulletin. If students pay fees in person at the Bursar's Office they receive a Student Fee Statement at that time. When fees are paid by mail, the fee statement may be picked up by the student when he returns to campus. It is important that these forms be carried by the students at all times.

Students registering at the start of the summer session must pay fees at the time of registration.

Graduate students who advance register receive fee statements by mail and must clear their fees at the Bursar's Office by 4:00 p.m. on the date indicated on the Registration Calendar. Graduate students registering at the beginning of the summer session must process their registration personally and pay tuition and fees on the same day they register.

Tuition and Fees for a Semester
Tuition and fees charged students are established by the Board of Trustees and are subject to change whenever conditions necessitate. All assessments depend on "Semester Hours Enrolled," according to the table below. Students will be assessed the following tuition and fees each term:

<table>
<thead>
<tr>
<th>Semester Hours Enrolled</th>
<th>Tuition (Illinois Resident)</th>

1 No waiver is authorized.
2 A student will pay the full Student Medical Benefit Fee of $17.25, which will entitle him to full medical benefits at the Health Service. An on-campus student may seek a refund of the Student Medical Benefit Fee within the first four weeks of each semester by contacting the administrative director of the Health Service. The Student Medical Benefit Fee is not charged for instruction offered off campus. Faculty, administrative staff, and civil service personnel are not permitted to pay the Student Financial Aid Fee. The on-campus student fee includes allocations to the Student Medical Benefit Fee, Student Welfare and Recreation Fund, Athletic Fund Fee, Student Honor Fee, and Student Activity Fee.
3 Includes allocations to the Student Welfare and Recreation Fund, Athletic Fund Fee, Student Honor Fee, and Student Activity Fee.
4 Includes Student Honor Fee only. A civil service employee claiming this tuition and fee remission must receive approval of his department head and director of the Personnel Office prior to enrolling for courses.
Students who register for a course for audit or for a non-credit course will be assessed fees according to the imputed hours of that course. Imputed hours is generally the number of hours the class meets per week.

Scholarships-Grants-Assistantships-Waivers
Students having special fee status, such as scholarships, grants, graduate appointments, faculty, and staff, will pay fees according to their particular fee status and must provide proof of their eligibility at the time fees are assessed.

Students holding valid state scholarships and other grants are exempt from some or all of the tuition and fees for a semester to the extent provided by the terms of the specific financial aid. Additional information concerning scholarships and grants may be obtained from the Office of Student Work and Financial Assistance.

Graduate Appointees
A graduate student who holds a graduate-student appointment of at least one-quarter of full time and who is appointed for the full length of an academic term (semester or full-length summer session) is eligible for a waiver of tuition each academic term the appointment is held. If a student is appointed for less than a full academic term on a fiscal pay basis, he is not eligible for a tuition waiver for that academic term.

A student who holds an appointment for the full academic term but resigns before the end of that term, and who continues to be registered for courses, shall be liable for the full tuition for the term.

A graduate student who has held such an appointment, requiring service to the University of at least 25 percent of full time, for each of two consecutive semesters will be eligible for a waiver of tuition for the summer session immediately following the two consecutive semesters of service. In no case shall the additional term of tuition waiver be granted before the two consecutive semesters of service have been completed.

This additional term of tuition waiver shall not apply to nonservice appointments or appointments normally awarded for 12 or more consecutive months (i.e., special doctoral assistantships, graduate or special fellowships). NDEA (Title IV) fellows, NSF trainees, and NSF fellows are not eligible.

NDEA (Title IV) fellows and NSF trainees do not pay fees, assessments, or tuition.

Faculty and Staff
Employees in faculty-administrative positions will receive a tuition waiver and a waiver of some fees whenever they are employed at any time during a semester for which they are registered. If the appointment is at least a nine-month appointment, students may receive the waiver for an additional semester which must follow immediately the last semester of appointment. Students may option summer or fall in this instance.

Civil Service
Employees in civil service positions will receive a tuition waiver and a waiver of some fees only when authorized by the Personnel Office after compliance with personnel regulations.

Auditing of Courses
Students may register for courses in an audit status. They receive no letter grade and no credit for such courses. An auditor's registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to
determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Office of Admissions and Records. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons. See the Registration Calendar for dates. Such a change will require the student’s academic dean’s approval.

Pass/Fail Option
The pass/fail option applies only to undergraduate instruction. Pass/fail courses are not available for graduate credit.

Courses offered under the pass/fail option are denoted in the listing of course offerings by “Elective Pass/Fail” or “Mandatory Pass/Fail.” A student taking a course for pass/fail should have his registration marked accordingly.

A student may change to or from pass/fail grading as indicated in the Registration Calendar with an adviser’s approval. After that time until the last day to make a program change, he will be permitted to change from pass/fail to regular grading with an adviser’s approval or to pass/fail from regular grading with his dean’s approval.

Students are not permitted to elect pass/fail for a course that is a major or minor requirement for them unless the program specifically permits such to be done.

Independent Study Courses
Courses such as special problems, independent research, thesis, etc., involving an individualized instructional format are in the class listing with a section number of “700.” Prior to registering in a course of this type, the student must determine the “instructor number” for the faculty member responsible for the student’s instruction. That three-digit instructor number, along with the class’s printed call number and the instructor’s last name, must be indicated on the Course Request Form or Program Change Form at the time of registration. All students should obtain the permission of the individual instructor before registering for such courses. The adviser for students in graduate degree programs will be responsible for determining that the student has the permission required. Unclassified graduate students must have the instructor sign the Course Request Form before bringing it to the Graduate School.

A listing of faculty within instructional programs along with each assigned instructor number may be found in the appendix of this book.

Program Changes
Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom must be made through an official program change, which includes the following steps:

1. Initiating the change. Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of adviser approval.

2. Registration. Students must take the program change form to the Registration Center after approval by the adviser.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done by the “last day to add a class” as indicated in the Registration Calendar.
Dropping a Course
A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is printed in the Registration Calendar. Graduate students may not necessarily receive a grade for dropping after this date. (Refer to Registration Calendar.)

Changing Fee Status, and Refunds
Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a semester in which students withdrawing from the University are eligible for a refund. For dates refer to the Registration Calendar.

Withdrawing from School
A student who finds it necessary to withdraw from school while the semester is in progress must report to the Office of Admissions and Records to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a semester (last week of an eight-week summer session), except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed by the deadline stated in the Registration Calendar.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this either by reporting to the Office of Admissions and Records in person or by writing to the Student Life Office. This must be done by the deadline date printed in the Registration Calendar, if he expects to get a refund.

Cancellation of Registration
An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Student Life Office.

Personal Data Changes
At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.
1. Local Address Change.—Office of Admissions and Records, Registration Center, Graduate School.
2. Name Change, Marital Status Change, Date of Birth Change.—Records Section of the Office of Admissions and Records. Verification may be required.
3. Selective Service Data Change or Information.—Registration Center.
4. Legal Residence Change (whether an Illinois or out-of-state resident).—Must be requested by completion of the Application to be Classified an Illinois Resident form in the Office of Admissions and Records. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.
General Studies—Interdisciplinary

Folk Arts, Crafts, and Uses of the Environment—Expressions of Living in the Southern Appalachian Region. (GSA, GSB, or GSC 399a–12, Section 1) June 16–August 8. Interdisciplinary, team taught, domestic travel-study program in the general area of eastern Tennessee and western North Carolina. Past and present societies, man-land relationships, folk arts, crafts, and other on-going expressions of the culture. Study of alternative modes of living and uses of human and natural resources, through direct observation and participation, as well as readings, lectures, and seminars. Instructors: John Eddins, David Sharpe, Richard Thomas.

Agricultural Industries

Agriculture Business Management. (Agricultural Industries 461–3, Section 101) June 16–July 11. Functions of top management in agri-business, such as: determining objectives, developing sound and consistent policies for achieving objectives; organizing the administrative personnel to carry out the plans; guiding and maintaining the administrative organization. Instructor: Gordon Langford.

Elementary Education

Corrective Techniques for the Classroom Teacher: Language Arts. (Elementary Education 437C–3, Section 870, Wabash Valley College Residence Center) June 2–13. Attention to identifying and correcting frequently occurring problems in the elementary school. Special emphasis on such areas as: composition (oral and written), spelling, handwriting, listening, punctuation, capitalization, vocabulary development, and usage. The course is intended to be relevant, practical, and enjoyable for classroom teachers. Instructor: Terry R. Shepherd.

Parent Involvement in Education. (Elementary Education 445–3, Section 860, Kaskaskia College Graduate Residence Center) June 23–July 4. Materials, techniques, and resources suitable for use by teachers in helping parents and teachers to understand how they can help each other in the
partnership responsibilities of the education of children from a variety of backgrounds. Instructor: Kevin J. Swick.

*Workshop in Elementary Education: Curriculum.* (Elementary Education 475A–2, Section 860, Kaskaskia College Graduate Residence Center) June 16–20. Methods and materials for working creatively with children in today’s classroom with attention given to humanizing, individualizing, and personalizing all areas of the curriculum through the use of interest centers, games, and affective education techniques. Instructor: Dormalee Lindberg.

*Workshop in Elementary Education: Curriculum.* (Elementary Education 475A–2, Section 101) June 23–27. Methods and materials for working creatively with children in today’s classroom with attention given to humanizing, individualizing, and personalizing all areas of the curriculum through the use of interest centers, games, and affective education techniques. Instructor: Dormalee Lindberg.

*Workshop in Elementary Education: Curriculum.* (Elementary Education 475A–2, Section 870, Wabash Valley College Residence Center) July 7–11. Methods and materials for working creatively with children in today’s classroom with attention given to humanizing, individualizing, and personalizing all areas of the curriculum through the use of interest centers, games, and affective education techniques. Instructor: Dormalee Lindberg.

*Individualization of Instruction: Writing Instructional Contracts and Designing Learning Centers.* (Elementary Education 475H–3, Section 101) June 2–13. This is an activity-based class. Students will write instructional contracts using their own local objectives, curriculum materials, and systems of evaluation. Demonstration learning centers will be developed and physically arranged for examination and use by workshop participants. Special attention will be given to planning learning tasks in relation to learning styles. A parent/student/teacher conference approach to determine learner-tasks will be utilized. Instructor: Fred Sloan.

*Individualizing Instruction.* (Elementary Education 525B–3, Section 101) June 2–13. Attention to various models used to individualize instruction: individually guided education, individually prescribed instruction, diagnostic and prescriptive teaching, etc. Emphasis on assisting each class member in selecting a subject matter area, delimiting the scope, and arranging the content into an appropriate sequence to be used in an individualized instructional program in his/her school. Instructor: Morris L. Lamb.

*Seminar—Reading.* (Elementary Education 525F–3, Section 101) June 2–13. Review of research and literature related to criteria for selection of materials for instruction; advantages and disadvantages of materials for particular instructional purposes; commercial vs. teacher-made materials; in-depth study of commonly used instructional materials. Instructor: Margaret Keyser Hill.
Seminar in Psychology of Elementary School Subjects. (Elementary Education 503–3, Section 870, Wabash Valley College Residence Center) June 16–27. Develops an understanding of the psychological principles of selected learning theories. These theories will then be used as a basis for determining the selection and use of curriculum materials in elementary and early childhood education programs. Instructor: Jane Morpurgo.

Family Economics and Management

Societal Factors in Housing. (Family Economics and Management 530–3) July 14–August 8. An analysis of housing, as related to levels of living in contemporary households. Cultural determinants, community development, governmental policies and programs, and personal and social organization are considered as they relate to family housing. Prerequisite: 430. Instructor: Thomas M. Brooks.

Guidance

Health Education

Health Education for K–8 Teachers. (Health Education 461–3, Section 101) June 2–9. To provide an opportunity for elementary and junior high teachers to examine, develop and evaluate processes and resources in planning and implementing comprehensive health education in kindergarten through eighth grade. Instructors: Eileen Harris and Frances Phillips.

Valuing and Evaluating in Health Education. (Health Education 460–3, Section 102) July 14–August 1. One focus will be values clarification, experiencing and developing different approaches to valuing in the classroom, with special consideration given to education about death and about venereal disease. The other focus will be on increasing and diversifying approaches to evaluation, with emphasis on ways of evaluating that which the teacher values. For upper level undergraduate and graduate students and teachers seeking advancement in health education. Instructor: Robert Russell.

Valuing and Evaluation in Health Education. (Health Education 462–3, Section 101) July 14–August 1. Same as Health Education 461, Section 102. To be taken if 461 has already been completed.

Valuing and Evaluation in Health Education. (Health Education 463–3, Section 101) July 14–August 1. Same as Health Education 461, Section 102. To be taken if 461 and 462 have already been completed.

Contemporary Specialized Laboratory Techniques. (Health Education 445s–2, Section 101) June 23–July 4. A concentrated course in motor-
cycle rider education for secondary school teachers. Instructor: Larry Lindauer.

Higher Education

Student Personnel Group Work. (Higher Education 535A–2, Section 101) June 16 to June 27. Provide teachers and college student personnel workers a variety of experiences to assist them in understanding more fully different ways of working with students in group situations in a variety of collegiate settings. Emphasis is given to assist in improving the quality of such group activities as the staff meeting, student committee work, new student orientation, student activities programs, student cultural and departmental interest groups. Some emphasis is given to group dynamics and leadership development. Instructor: Elwyn Zimmerman.

Student Financial Assistance. (Higher Education 535C–2, Section 101) June 16 to June 27. Acquaint teachers, future student personnel workers, and interested administrators in the various forms of financial assistance available to students in higher education. The organization and administration of student financial assistance; the supervision and training of office personnel; and the regulations and procedures used in administering various federal, state and institutional programs of financial assistance. Instructors: Frank Adams and Roland Keene.

Adult and Continuing Education. (Higher Education 535G–2, Section 101) June 2 to 13. For persons interested in promoting and improving educational opportunities for adults. Emphasis on new directions and innovations in continuing education and adult education in institutions of higher education.

Business and Fiscal Administration. (Higher Education 545F–2, Section 1) June 2 to June 13. Includes problems of budgeting, interpreting and preparing fiscal reports, accountability, and fiscal reevaluation of resources. Instructor: I. Clark Davis.

Note: The Department of Higher Education also offers during the summer a number of seminars on either a two-week or four-week basis. The topics and dates are listed in the regular Departmental Schedule.

Home Economics Education

The Teaching of Consumer Homemaking (Home Economics Education 407–1, June 16–27. Planned to assist in understanding, developing, and
implementing consumer programs especially those fundable at the secondary level. Attention given to concept outlines, objectives, learning experiences, teaching materials. Contracts for funding will be developed. Instructor: Rose Mary Carter.

Games and Simulations in Home Economics. (Home Economics Education 407–1) July 14–25. Use and evaluation of commercial games for the various home economics subject areas. Construction of original games and simulations to fit teaching situations of participants. Instructor: Dorothy Keenan.

Instructional Materials

Mathematics

Music

Music for Exceptional Children I. (Music 456a–2; Special Education 456a–2) June 9–18. Designed for the non-music specialist interested in working with the exceptional child and the music specialist with limited or no training in teaching the exceptional child. Current practices and materials will be reviewed with an opportunity to examine the literature and materials in the field in depth. There will be guest lecturers on various phases of music and the special child. Instructor: Catherine McHugh.

Music for Exceptional Children II (Music 456b–2; Special Education 456b–2) June 23–July 2. Continued emphasis on teaching techniques and materials appropriate for teaching the exceptional child. Guest lecturers on specific disabilities, specialists in physical education and movement, and observation of music classes at Archway. Instructor: Catherine McHugh.

Summer Music Theater (Music 347–2 to 8, section 1; 568–2 to 8, section 1) June 16–August 8. Talented singers, actors, dancers, technicians, and
orchestra personnel come to the campus from colleges and universities throughout the United States for a summer of performing and instruction in the Broadway musical repertoire. Participants receive full-load graduate and undergraduate credit. Held under the direction of Mary Elaine Wallace and Michael Hanes, in cooperation with the Department of Theater.

**Opera Workshop.** (Music 346–2 to 8, section 1); 568–2 to 8, section 1) June 16–August 8. Students will receive training in the singing and acting techniques necessary to operatic production and will participate in public performances under the direction of Mary Elaine Wallace. Voice lessons will be available concurrently from any member of the voice faculty.

**Music Productions Workshop.** (Music 468–2; section 101) June 30–July 12. A full-time two-weeks course for directors of high school and college musicals. Through observation and work with the staff of Summer Playhouse, instruction will be given in production problems, staging techniques, musical direction and technical direction. Instructor: Mary Elaine Wallace.

**Music and Youth at Southern Illinois University.** July 13–26, morning, afternoon, and evening. Offers to high school musicians in Illinois and surrounding areas a unique experience in music learning on the campus. Participation in band, orchestra, chorus, piano, jazz band; classes in music appreciation, music theory, instrument repair, swing choir, and performing techniques. Coordinator: Melvin Siener.

**Physical Education for Men and Women**

**Advanced Theory and Techniques in the Prevention and Rehabilitation of Athletic Injuries.** (Physical Education 407–2, Section 101) June 16–June 28. The knowledge and application of scientific principles of conditioning the body for men's and women's sports. Techniques of testing muscle strength and strengthening the body following injury. Emergency treatment of injuries and the use of ice therapy and other physical therapy modalities; the problems of diet, and consideration of kinesiological physiological behavioral factors in athletics. Designed to increase the effectiveness of physical education personnel in teaching and coaching athletics. Focuses on selected needs and interests of the students. Instructor: Robert R. Spackman, Jr.

**Professional Education Experiences**

**Supervision of Professional Education Experiences.** (Elementary Education 518–3 or Secondary Education 518–3, Section 101) June 16–July 11. The role and responsibility of the cooperating public school teacher in the supervision of teacher education students involved in various field experiences. Attention is given to the joint responsibilities of the university and the public school in this cooperative venture. For present and prospective teachers who wish to deal effectively with students in the various professional education experiences. Instructor: Billy G. Dixon.

**Psychology**

**Theory and Practice in the Preschool.** (Psychology 459–3, Section 101) June 16–July 12. For those who are preparing for or engaged in preschool
education. Examines a variety of topics and provides lectures, demonstrations, and practicum experience in the Child Study Cooperative Nursery. Offered on a four-week basis. Instructor: Shirley Dunagan.

Secondary Education

Problems Related to Teaching Disadvantaged Youth. (Secondary Education 485–2) June 16–27. Emphasis is on four areas: the characteristics of the disadvantaged; the student's attitude regarding the disadvantaged; effective teaching strategies for the disadvantaged; and microteaching videotaped lessons of appropriate teaching styles. Instructor: Ruth Long.

Special Education

Exceptional Child in the Regular Classroom. (Special Education 518–3, Section 860, Kaskaskia College Graduate Residence Center) June 2–13. Theoretical and practical application of learning and behavior management techniques for exceptional children. Emphasis will be placed on serving the learning disabled, behavioral disordered, and mentally retarded child in the regular classroom through a non-specialist teacher. Instructors: Richard Brecht, Toschiaki Hisama, Dan Rainey.

Gifted Child in the Schools. (Special Education 518–3, Section 861, Kaskaskia College Graduate Residence Center) June 30–July 11. Emphasis on application in schools of techniques and materials related to teaching gifted talented students. Instructor: John P. Casey.

Speech

Workshop in the High School Speech Contest. (Speech 491–3, Section 101) June 16–28. Specialized study of theory and practice related to the direction of high school speech contest work with major emphasis divided between debate and individual speaking events. Instructors will be drawn from and will reflect the skills of faculty in both the forensics and the interpretive areas within the Department of Speech. Instructor: Marvin Kleinau.

Thermal and Environmental Engineering

Environmental Health Training Institute. (Thermal and Environmental Engineering 492–2, Section 1) May 5–23. Introduction to environmental pollution problems including air and water pollution control and solid waste disposal. Provides practical instruction for junior-level public health officers. Instructors: Echol E. Cook and Howard E. Hesketh.
Given below are course number, semester hours of credit, and title for each course offered at each place indicated. Refer to chapter 4 for time and day information.

Schedule of Classes

This chapter is arranged in two parts:

1. General Studies Courses.
2. Departmental Courses.

Within each part, the subject areas in which courses are being offered are listed in alphabetical order by name. (The table of contents on pages ii and iii exhibits the subject areas and their page numbers).

Within each subject area, the courses are listed in order by course number. For each course, the first line contains the course number, its short title, number of semester hours of credit, and pass/fail information if applicable.

Within each course, sections are listed in numerical order. The entry for a typical section includes a call number, section number, beginning time, meeting days and place, and the instructor’s last name.

A brief discussion of each type of information listed in this schedule follows.

Title Line
First is the course number. It is a three-digit numeral plus, in some cases, a single letter. It identifies the course and indicates the academic classification of the course as follows:

| 000–099 | Course not properly in the following categories |
| 100–199 | For freshmen |
| 200–299 | For sophomores |
| 300–399 | For juniors and seniors |
| 400–499 | For seniors and graduate students |
| 500–600 | For graduate students only |

Next is the short title. For the full title and the course description, refer to the Undergraduate Catalog or the Graduate Catalog.

At the end of the title line is the number of hours of credit awarded for completion of the course. All references to hours of credit imply semester hours unless otherwise specified. One semester hour is equivalent to one and one-half quarter hours.

In a variable-hour course, the student decides the number of hours for which he is going to register in consultation with his adviser.

Courses offered under the pass/fail option are footnoted after the hours of credit. See chapter 1 for further comments on this option.

Prerequisite
The prerequisite entry lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same subject area, indicated by a course number. A prerequisite in another area is indicated by that area’s code letters and the course number.

Call Number and Section Number
Each section number is preceded by a unique call number, which is a four-digit numeral. Both the call number and the section number must be entered after the appropriate subject-area abbreviation and the course number on the student’s Course Request Form or Program Change Form at the time of registration.

For section 700, refer to chapter 1, under “Independent Study Courses.”

Time and Days
The times given indicate the beginning and ending of each class period. If no
ending time is specified, then it is 50 minutes after the beginning time. Those registering for courses listed as “To be arranged” may obtain times and days from the instructor indicated or, if no instructor is listed, from the department.

Building and Room Number
The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated by number only.

If a building contains more than one classroom, then the number of the room follows the building’s code name.

**VTI Campus Buildings**

Buildings coded F, H, L, M, and N are on the VTI Campus, location of some programs of the School of Technical Careers.

**Instructor’s Name**

Only the last name is listed here. Each of the University’s catalogs contains an extensive list of members of the faculty, their degrees, and related information.

To register for section 700, refer to the instructions in chapter 1 under the heading “Independent Study Courses” and also to the instructors’ numbers listed in the appendix at the end of this book.

#### COURSES

**CHEM 101 INSIGHT-HI FILASER**
- MTWTh: Nkrs B
- Room: 440 Johnson K
- Hours: 01.20-02.30
- Credit: 03.0 Cr

**CHEM 102 CHEM - NON-SCI MAJ**
- MTWThF: Nkrs B
- Room: 440
- Hours: 07.30-08.30
- Credit: 03.0 Cr

**CHEM 110 EARTH SCIENCE**
- T Th: Nkrs C
- Room: 407
- Hours: 07.30-09.40
- Credit: 03.0 Cr

**CHEM 115 BIOLOGY**
- M W F: Lawson 171
- Room: 121
- Hours: 09.00-10.50
- Credit: 03.0 Cr

**CHEM 202 SPACE SCI-ASTRONOMY**
- T Th: Lawson 121
- Room: 407
- Hours: 08.40-09.40
- Credit: 03.0 Cr

**General Studies Area B—Man’s Social Inheritance and Social Responsibilities (GSB)**

**CHEM 103 GEOG OF MANS ENVIR**
- M W: Lawson 151
- Room: 121
- Hours: 09.50-10.50
- Credit: 03.0 Cr

**CHEM 104 MAN & HIS WRLD-ANTH**
- MTWThF: Lawson 161
- Room: 407
- Hours: 08.40-09.40
- Credit: 03.0 Cr

---

**Course Prerequisites and Notes:**
- Prerequisites and special notes for courses are included in the schedule as needed.
- Occasionally, courses may have special requirements or limitations.
- The schedule is subject to change and should be verified with the academic advising office.
208 ELEMENTARY LOGIC 03.0 Cr

209 MOD LIT-FORM & IDEA 03.0 Cr

210 INTRO TO FICTION 03.0 Cr

221 SURVIVAL OF MAN 03.0 Cr

317 RECENT AMERICAN LIT 03.0 Cr

349 THE CINEMA 03.0 Cr

365 SHAKESPEARE 03.0 Cr

371 EVOLUTION OF JAZZ 02.0 Cr

104 GRAMMAR IN LANGUAGE 02.0 Cr

106 ELEMENTARY ALGEBRA 00.0 Cr

107 INTERMEDIATE ALGEBRA 00.0 Cr

**Prerequisites:**
- Above 509B
- 509A
- 509B

**Notes:**
- Prerequisites are arranged in a sequence that ensures students have the necessary background before enrolling in the courses.
- Classes are scheduled on specific days and times to accommodate different student schedules.
- The credits for each course indicate the total number of hours the course requires.

**Instructors:**
- Lindberg
- Sloan
- Swick

**Locations:**
- Wham
- Wabash
- Sloan

**Additional Information:**
- Sections are offered in different months and years, covering a range of topics and applications relevant to the field of education and psychology.

This issue of the *Southern Illinois University Bulletin*, Schedule of Classes, Summer Session 1975, was published for the Office of Admissions and Records by University Graphics.

The data base for the schedule proper is maintained on magnetic tape by Admissions and Records in cooperation with Information Processing, Southern Illinois University at Carbondale.

Typefaces are Century Schoolbook and Craw Clarendon Book. Hand composition and hot-metal composition were done by Printing Service, Southern Illinois University at Carbondale. Conversion of the magnetic tape, photo-composition of the schedule proper, printing, and binding were provided by Taylor Publishing Company.
The following is a reference list for use in registering into classes which are entered in the schedule with a section number of "700." Refer to the paragraph entitled "Independent Study Courses" in chapter 1 of this book for an explanation of the registration procedure. In nearly every instance, written permission of the instructor and/or the department chairperson is required prior to registration. Students desiring to work in a department or program under a faculty member not listed below in that department or program, may obtain the instructor number from the department.

### Accountancy
- Barron 707
- Booker 708
- Burger 713
- Erikson 712

This form is provided for your use in establishing a tentative class schedule before coming to the Registration Center.
1. Write in the course and section number in the appropriate day and time column.

2. Note: Avoid scheduling two classes at the same time.
3. It is suggested that you also make an alternative schedule.
4. Tentative class schedules are subject to the rules and policies on registration of the University and the Registration Center.
