Southern Illinois University Bulletin

Fall Semester 1976
Schedule of Classes
Carbondale

Southern Illinois University Bulletin
Volume 18, Number 2
February 1976
Second-class postage paid at Carbondale, Illinois 62901.
Published by Southern Illinois University at Carbondale,
Illinois 62901, monthly except March, April, May,
and December.

This issue of the Southern Illinois University Bulletin contains
the schedule of classes to be offered by Southern Illinois
University at Carbondale for the 1976 fall semester
at Carbondale, at the Vocational-Technical Institute Campus,
at Little Grassy Lake, and at graduate residence centers. It also
provides information relative to admission, advisement,
registration, and fees.

Advance Registration Dates

Advance Registration Period for All Students, Monday, February 23–Friday, May 7 and Monday, June 21–Friday, August 6.
Registration Center office hours during advance registration are: 10:00 A.M. to 4:00 P.M.
All continuing students are expected to be registered by August 6. Program changes may be processed during the advance registration period. Students are urged to process program changes prior to the first day of classes.

Deadline for Payment of Tuition and Fees by Mail, Friday, August 13.
Payment must be mailed to the Bursar prior to this date to insure receipt of payment by this date. Students paying after this date must pay in person at the Bursar's Office in Woody Hall.

Last Day to Pay Tuition and Fees for the Fall Semester, Friday, August 20
Registration will be cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date.

Final Registration Dates

Registration for Any Student Not Registered, Thursday and Friday, August 19, 20
Students registering on these dates must clear their fees with the Bursar the same day they register.

Last Day to Register for the Fall Semester, Friday, August 20
Registration for any student not registered. Registration ends at 6:00 P.M. All registrations are cancelled if tuition and fees are not paid before 6:00 P.M. on this date. Students registering after this date must have special permission of their dean to register late.

Program Changes or Withdrawal from School

Advisement and Registration Open for Program Changes
Program changes may be processed during the advance registration period (February 23–August 6) and during the first week of classes, August 23–27.
**Last Day to Add a Class or Section, Friday, August 27**

This is the last day to make a program change in which a course is added or a section is changed without dean’s permission. Students adding a course which begins after August 27 may add through the first day the course meets without the dean’s permission.

**Deadlines for Withdrawing from School or from a Course**

* Students changing from credit to pass/fail after these deadlines must have dean’s approval.

**Last Day to Process a Program Change or Withdrawal for the Fall Semester, Friday, December 3**

This is the last day to make a program change or to withdraw from school except under exceptional circumstances. Students enrolled in courses which meet less than sixteen weeks must process a program change or withdrawal before the last week of the course.

**Registration Instructions**

Refer to pages in the back of this publication for registration work sheets that may be used in determining your class schedule.
Southern Illinois University at Carbondale has changed from the quarter system to an early semester calendar.

All references in this bulletin to hours of credit are to *semester hours* unless otherwise specified. One semester hour of credit is equivalent to one and one-half quarter hours.
General Information

This bulletin contains the schedule of classes offered for the 1976 fall semester, by Southern Illinois University at Carbondale. It also provides information relative to advisement and registration, fees, and allied information.

Admission
Inquiries concerning undergraduate and graduate admission should be directed to the Admissions Office.

Advisement and Registration
Southern Illinois University at Carbondale uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Graduate students initiate advisement with their graduate adviser and complete the registration process at the Registration Center, except that unclassified graduate students go directly to the Registration Center (Graduate/Off-Campus Registration Area) to complete both the advisement and the registration processes.

After advisement the student may register for classes. See the Registration Calendar in this bulletin. Ordinarily, registration offices are open from 10:00 A.M. to 4:00 P.M., Monday through Friday. During the registration process the student goes to the Registration Center, where he selects specific sections of the courses he is to take.

Cancellation of student registrations for non-payment of fees occurs on the date indicated in the Registration Calendar.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class. Students should complete the registration process before classes begin.

New Students
Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come
to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Office of Admissions and Records or the appropriate academic unit.

New graduate students may register during the registration periods indicated in the registration calendars. Arrangements should be cleared with the appropriate graduate adviser prior to coming to campus.

Re-Entering Students
Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale
Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students may report directly to the Registration Center for registration.

Off-Campus Students
The University offers courses at various locations off campus. The locations of these courses are printed in this schedule of classes or may be obtained from the Division of Continuing Education. Students who wish to enroll in off-campus courses may register and pay tuition at the first class meeting.

Course Load
The minimum number of hours of credit that a student may take during a regular-length semester and be considered by the University a full-time student is twelve semester hours. The maximum load for a regular-length semester is eighteen semester hours (sixteen for graduate students) unless an exception is granted by the student's academic dean.

Tuition and Fees for a Semester
Tuition and fees charged students are established by the Board of Trustees and are subject to change whenever conditions necessitate. All assessments depend on "Semester Hours Enrolled," according to the table below. Students will be assessed tuition and fees each term according to Table 1.

Additional Fee Information
1. Graduate, medical, and law students are not required to pay the Student-to-Student Grant Program Fee. So they pay $2.25 less than the amount listed in the appropriate total column of the Table 1.
2. Permanent full-time or permanent part-time employees may be eligible for waiver of tuition and waiver of a portion of the student fees. Ap-

1. The Student-to-Student (STS) Grant Program Fee provides funding of a student grant program. The fee is payable by undergraduate students only. Undergraduate students who do not wish to participate in the program may seek a refund of the fee by contacting the Office of Admissions and Records within ten days of the date of payment of fees.

2. The Students’ Attorney Fee provides funding for a legal service program. The fee is payable by all students. Students who do not wish to participate in the program may seek a refund by contacting the Office of Admissions and Records within ten days of the date of payment of fees.

3. The Student Center Fee provides funding for operation of the Student Center.

4. The Student Activity Fee provides funding for student organizations and activities on campus.

5. The Student Welfare and Recreation Fund (SWRF) Fee provides funding for construction and operation of physical facilities for student recreation and intramural programs.

6. The Athletic Fund Fee provides partial funding of the University’s intercollegiate programs for men and women.

7. The Student Medical Benefit Fee and the Student Welfare and Recreation Fund-Medical (SWRF-M) Fee provide funding for a comprehensive student health program including emergency service; hospitalization; specialty, primary, intermediate, or infirmary care; and prevention program. A student who pays these fees is entitled to full medical benefits at Health Service. If he feels that he has comparable coverage, he may seek a refund of the $17.25 fee within the first four weeks of each semester by contacting the administrative director of Health Service.

8. Students taking courses in extension or at approved residence centers pay only the Student Center Fee, the Students’ Attorney Program Fee, and the Students’ Grant Program Fee.

9. Students taking courses in extension or at approved residence centers must be given prior to enrolling for courses. Employees who are approved for extension study must provide proof by the department head and the director of the Personnel Office.
are required to pay tuition as listed in the table above but do not pay student fees.
4. Adult education course fees are computed on the basis of approximately sixty cents per contact hour.
5. Other charges which students may incur are those for departmental field trips, library fines, and excess breakage. Also, students taking a course involving use of materials, as distinct from equipment, will ordinarily pay for such materials.
6. Students enrolling in both on- and off-campus courses pay tuition and fees based upon the on-campus tuition and fee schedule for the combined total of hours enrolled.
7. Students enrolled in Public Service Courses pay tuition plus $3.00 per hour fees divided equally between Student Center and Medical. Students enrolling in a combination of Public Service Courses and regular on-campus courses pay tuition and fees based upon the on-campus tuition and fee schedule for the combined total of hours enrolled.

Payment of Fees
Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with a check or money order for the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this bulletin. If students pay fees in person at the Bursar's Office they receive a Student Fee Statement at that time. When fees are paid by mail, the fee statement may be picked up by the student when he returns to campus. It is important that these forms be carried by the student at all times.

Students registering at the start of a semester must pay fees at the time of registration.

Deferment of Tuition and Fees
Students who cannot pay tuition and fees by the payment deadline may contact the Student Life Office to seek approval to pay at a later date. Written verification of pending financial aid must be provided at the time a student applies for fee deferment. If approval is granted, tuition and fees will be placed on Fee Code 66 for the term and the student will be obligated to pay by the approved deferred date. Failure to pay deferred fees will result in withholding of permission to register for succeeding terms and withholding of transcripts.

Audit and Non-Credit Courses
Students who register for a course for audit or for a non-credit course will be assessed fees according to the imputed hours of that course. Imputed hours is generally the number of hours the class meets per week.

Scholarships-Grants-Assistantships-Waivers
Students having special fee status, such as scholarships, grants, graduate appointments, faculty, and staff, will pay fees according to their particular fee status and must provide proof of their eligibility at the time fees are assessed.

Students holding valid state scholarships and other grants are exempt from some or all of the tuition and fees for a semester to the extent provided by the terms of the specific financial aid. Additional information
concerning scholarships and grants may be obtained from the Office of Student Work and Financial Assistance.

Graduate Appointees
A graduate student who holds a graduate-student appointment of at least one-quarter of full time and who is appointed for the full length of an academic term (semester or full-length summer session) is eligible for a waiver of tuition each academic term the appointment is held. If a student is appointed for less than a full academic term on a fiscal pay basis, he is not eligible for a tuition waiver for that academic term.

A student who holds an appointment for the full academic term but resigns before the end of that term, and who continues to be registered for courses, shall be liable for the full tuition for the term.

A graduate student who has held such an appointment, requiring service to the University of at least 25 percent of full time, for each of two consecutive semesters will be eligible for a waiver of tuition for the summer session immediately following the two consecutive semesters of service. In no case shall the additional term of tuition waiver be granted before the two consecutive semesters of service have been completed.

This additional term of tuition waiver shall not apply to nonservice appointments or appointments normally awarded for 12 or more consecutive months (i.e., special doctoral assistantships, graduate or special fellowships). NDEA (Title IV) fellows, NSF trainees, and NSF fellows are not eligible.

NDEA (Title IV) fellows and NSF trainees do not pay fees, assessments, or tuition.

Faculty and Staff
Employees in faculty-administrative positions will receive a tuition waiver and a waiver of some fees whenever they are employed at any time during a semester for which they are registered. If the appointment is at least a nine-month appointment, students may receive the waiver for an additional semester which must follow immediately the last semester of appointment. Students may option summer or fall in this instance.

Civil Service
Employees in civil service positions will receive a tuition waiver and a waiver of some fees only when authorized by the Personnel Office after compliance with personnel regulations.

Auditing of Courses
Students may register for courses in an audit status. They receive no letter grade and no credit for such courses. An auditor's registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Office of Admissions and Records. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons. See the Registration Calendar for dates.

Pass/Fail Option
The pass/fail option applies only to undergraduate instruction. Pass/fail courses are not available for graduate credit.
Courses offered under the pass/fail option are denoted in the listing of course offerings by "Elective Pass/Fail" or "Mandatory Pass/Fail."

A student taking a course for pass/fail should have his registration marked accordingly.

A student may change to or from pass/fail grading as indicated in the Registration Calendar with an adviser's approval. After that time until the last day to make a program change, he will be permitted to change from pass/fail to regular grading with an adviser's approval or to pass/fail from regular grading with his dean's approval.

Students are not permitted to elect pass/fail for a course that is a major or minor requirement for them unless the program specifically permits such to be done.

Independent Study Courses
Courses such as special problems, independent research, thesis, etc., involving an individualized instructional format are in the class listing with a section number of "700." Prior to registering in a course of this type, the student must determine the "instructor number" for the faculty member responsible for the student's instruction. That three-digit instructor number, along with the class's printed call number and the instructor's last name, must be indicated on the Course Request Form or Program Change Form at the time of registration. All students should obtain the permission of the individual instructor before registering for such courses. The adviser for students in graduate degree programs will be responsible for determining that the student has the permission required.

A listing of faculty within instructional programs along with each assigned instructor number may be found in the appendix of this book.

Public Service Courses
Public Service Courses are intended to serve persons not necessarily formally enrolled in a degree program at Southern Illinois University at Carbondale, and whose backgrounds are rather homogenous but whose time constraints do not allow them to attend a similar course during a regular academic semester. Public Service Courses are scheduled to meet no longer than three weeks and are listed in the Schedule of Classes with a section number in the range 601-699.

Program Changes
Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom must be made through an official program change, which includes the following steps:

1. *Initiating the change.* Students report to their advisers for approval and Program Change form completion. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of adviser approval.

2. *Registration.* Students must take the program change form to the Registration Center after approval by the adviser.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done by the "last day to add a class" as indicated in the Registration Calendar.

Dropping a Course
A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is printed in the Registration Calendar. Graduate students may not neces-
sarily receive a grade for dropping after this date. (Refer to Registration Calendar.)

Changing Fee Status, and Refunds
Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a semester in which students withdrawing from the University are eligible for a refund. For dates refer to the Registration Calendar.

Withdrawing from School
A student who finds it necessary to withdraw from school while the semester is in progress must report to the Student Life Office to initiate official withdrawal action. Graduate students may also initiate withdrawal at the Graduate School. No withdrawal will be permitted during the last two weeks of a semester (last week of an eight-week summer session), except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed by the deadline stated in the Registration Calendar.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this by writing to the Student Life Office. This must be done by the deadline date printed in the Registration Calendar, if he expects to get a refund.

Cancellation of Registration
An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Office of Admissions and Records by the Student Life Office.

Personal Data Changes
At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change.—Office of Admissions and Records, Registration Center, Graduate School.
2. Name Change, Marital Status Change, Date of Birth Change.—Records Section of the Office of Admissions and Records. Verification may be required.
3. Legal Residence Change (whether an Illinois or out-of-state resident).—Must be requested by completion of the Application to be Classified an Illinois Resident form in the Office of Admissions and Records. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.
4. Change of College or Major.—Advisement center or dean’s office.

The chapter is arranged in two parts:
1. General Studies Courses.
2. Departmental Courses.
Within each part, the subject areas in which courses are being offered are listed in alphabetical order by name. (The table of contents on pages ii and iii exhibits the subject areas and their page numbers).

Within each subject area, the courses are listed in order by course number. For each course, the first line contains the course number, its short title, number of semester hours of credit, and pass/fail information if applicable.

Within each course, sections are listed in numerical order. The entry for a typical section includes a call number, section number, beginning time, meeting days and place, and the instructor's last name.

A brief discussion of each type of information listed in this schedule follows.

Title Line
First is the course number. It is a threedigit numeral plus, in some cases, a single letter. It identifies the course and indicates the academic classification of the course as follows:
000-099 Course not properly in the following categories
100-199 For freshmen
200-299 For sophomores
300-399 For juniors and seniors
400-499 For seniors and graduate students
500-600 For graduate students only

Next is the short title. For the full title and the course description, refer to the Undergraduate Catalog or the Graduate Catalog.

At the end of the title line is the number of hours of credit awarded for completion of the course. All references to hours of credit imply semester hours unless otherwise specified. One semester hour is equivalent to one and one-half quarter hours.

In a variable-hour course, the student decides the number of hours for which he is going to register in consultation with his adviser.

Courses offered under the pass/fail option are footnoted after the hours of credit. See chapter 1 for further comments on this option.

Prerequisite
The prerequisite entry lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same subject area, indicated by a course number. A prerequisite in another area is indicated by that area's code letters and the course number.

Call Number and Section Number
Each section number is preceded by a unique call number, which is a four-digit numeral. Both the call number and the section number must be entered after the appropriate subject-area abbreviation and the course number on the student's Course Request Form or Program Change Form at the time of registration.

For section 700, refer to chapter 1, under "Independent Study Courses."

Time and Days
The times given indicate the beginning and ending of each class period. If no
ending time is specified, then it is 50 minutes after the beginning time. Those registering for courses listed as "To be arranged" may obtain times and days from the instructor indicated or, if no instructor is listed, from the department.

Building and Room Number

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated by number only.

If a building contains more than one classroom, then the number of the room follows the building's code name.

VTI Campus Buildings

Buildings coded F, H, L, M, and N are on the VTI Campus, location of some programs of the School of Technical Careers.

Instructor's Name

Only the last name is listed here. Each of the University's catalogs contains an extensive list of members of the faculty, their degrees, and related information.

To register for section 700, refer to the instructions in chapter 1 under the heading "Independent Study Courses" and also to the instructors' numbers listed in the appendix at the end of this book.

* Not shown on the map.

** Student teachers are expected to be on duty in the public schools according to the calendar of the schools in which they are teaching. During the time in which University students are student teaching, it may therefore be necessary for them to follow a calendar different from the University semester calendar. When this is necessary, the chairman of Professional Educational Experiences will inform the students far enough in advance that they may make necessary arrangements.

**NOTE:** Students enrolling in the MUS 040.140,240,340,440, or 540 series must present a restricted class permit slip from the music adviser when registering. For the MUS 040.140,240,340,440, or 540 series, music majors and minors enroll for 2 semester hours on their principal instrument, taking one half-hour private lesson and studio class (Mondays at 10:00 A.M.) Those with prior approval by their applied jury for the specialization in Performance enrollment for 4 semester hours, taking two half-hour private lessons and the studio class each week. Non-music majors or minors, and those music majors taking a second instrument, enroll for 1 semester hour, taking one private or class lesson per week. Six hours of individual practice per week required for each lesson.

# Appendix: Instructors for Independent Study Courses

The following is a reference list for use in registering into classes which are entered in the schedule with a section number of “700.” Refer to the paragraph entitled “Independent Study Courses” in chapter 1 of this book for an explanation of the registration procedure. In nearly every instance, written permission of the instructor and/or the department chairman is required prior to registration. Students desiring to work in a department or program under a faculty member not listed below in that department or program, may obtain the instructor number from the department.

## Accountancy
- Barron 707
- Booker 708
- Burger 713
- Eriksen 712
- Glick 704
- Rozanski 711
- Schmidelein 701
- Seth 709
- Swick 703
- Tucker 706
- Woelfel 702
- Wright 710

## Administration of Justice
- Anderson 711

This form is provided for your use in establishing a tentative class schedule before coming to the Registration Center.

1. Write in the course and section number in the appropriate day and time column.

2. Note: Avoid scheduling two classes at the same time.

3. It is suggested that you also make an alternative schedule.

4. Tentative class schedules are subject to the rules and policies on registration of the University and the Registration Center.

* Write in times for night classes.
Registration Instructions

Step 1. Biographic Information. Present your Course Request Form (CRF) at Step 1. Receive biographic data card. Eligibility to register will be checked. Make necessary corrections on the biographic card. New students will be photographed for I.D. cards.

Step 2. Sectioning. Using course availability boards and Schedule of Classes book, work out your schedule on a registration work sheet. Enter the 4 digit call number for each course and section in the column to the left of course entry on CRF—currently headed “Dept. Code No.” or “Call No.” Enter section number in the appropriate column. The section number appears in the Schedule of Classes immediately preceding the listed class meeting time. The call number appears to the left of the section number. The day, time, and location for added classes will be posted on one group of bulletin boards. Find meeting information and call number here. The legend for the colored tags will be posted in Registration. If a course shows a restriction, you must have the proper authorization before going to Step 3. Consult the Schedule of Classes book for specific restriction information.

Step 3. Registration and Fee Assessment. Give your completed CRF to the operator who will enter your registration information. Watch the screen to check the operator’s accuracy and call attention to any errors. Proceed to Step 4.

Step 4. Enrollment Form and Fee Statement Pick-up. Pick up the printout of your enrollment transaction and your fee statement. Proceed to Exit.

Step 5. Tuition and Fee Payment. The fee statement you received at Step 4 must be presented to the Bursar with payment by the date indicated or your registration will be cancelled.
