but the thoughts and deeds of her great men are treasures preserved in history for
the enrichment of our own lives." Dr. Botsford has prepared the present book as
an aid to the study of this important subject, and has striven to make it so fas-
cinating that the young student will be impelled to pursue his inquiries and reading
much farther. To render the position of Greek material and spiritual achievement
in the history of the world more intelligible, he has prefixed to his narrative a
rapid survey of the histories of Egypt, Assyria, the Medes, the Persians, the Phæ-
nicians, and the Hebrews. This introduction, though brief, is competent and
serviceable.

PROFESSOR GUNKEL'S LEGENDS OF GENESIS.

To-night I have finished reading Gunkel's Genesis.¹

What a thoroughly wise and entertaining book; and what fine, glorious years
are these, when ignorance and mystery are driven back to their dungeons; and
brave scholars, with courage, with no malice, with kindly eyes and warm hearts
come to us, with songs of praise on their lips, and say to us: "My brother, this is
the truth that shall make you free. Read it, love it, and pass on the glad tidings to
all who come after us."

I looked through the index. A perfect joy. Reveals the whole book. A reader
with a memory could pass an examination long after the perusal of the book by
glancing through this illuminating index. Perhaps it should contain references
to the symbols "P," "J," and "E" that mean so much to the novice.

It is often said that the German scholar cares more for thought than style and
is a hard man to translate. I know nothing of Gunkel's German, but this English
is clarity itself. Great credit is due to the author or the translator.

ITALIAN CHARACTERS.

Our esteemed contributor, the Countess Evelyn Martinengo Cesaresco, a de-
scendent of an aristocratic English family and by marriage an Italian countess,
here offers to the English-speaking world a book entitled Italian Characters,²
which may fairly be called a tribute to her adopted country. It contains the life
history of eleven Italian heroes who played important parts or distinguished them-
selves somehow through their patriotism and loyalty to the new ideal of a united
Italy in the epoch of its unification and political resurrection. The authoress did
not select those men who were the historical leaders, Victor Emanuel, Garibaldi,
Cavour, Crispi, but stars of second magnitude, victims of the old misgovernment,
heroes of endurance, who, however, considering the intrinsic worth of virtue, are
not less praiseworthy and admirable,—Castromediano, Ricasoli, Settembrini, Giu-
seppe Martinengo, Manin, the Poerios, Azeglio, Mameli, Ugo Bassi, Nino Bixio,
and the Cairoli.
